

# CONNECTING POINTS A THROUGH Z

## REAL ESTATE SOLUTIONS TO YOUR LOGISTICAL CHALLENGES

### Are you looking to expand or optimize your operations?

If your company has a complex supply chain, including manufacturing, assembly, storage and distribution, there are many places for profits to fall through the cracks. **Strategic Realty Consultants** has the knowledge and resources to analyze and improve your specific real estate needs.

We'll assess your current operations and suggest solutions, including disposition of unused facilities, establishment of new manufacturing and distribution centers, route optimization and efficient space planning.

When you choose SRC, a dedicated team of real estate professionals will serve as your partners, getting to know your specific needs and priorities. We place a premium on accurate, real-time data, and will closely analyze the market to identify and predict long-term trends. Empowered by this valuable data, we'll sit down with you to determine the best course of action for your business. From optimizing your distribution routes to negotiating contracts, SRC provides the expertise you need to keep your business **on point**.
